

RECOMMENDATION LETTER

Date: [26th March 2022](#)

To Whomsoever It May Concern

It gives me immense pleasure to write this letter for Ms. Anshika Yadav, who was selected from amongst 30,000 students to be one of Mindler's Top 1000.

Anshika's admirable efforts over the course of the Mindler Internship Program and the Mindler Scholarship & Talent Hunt marked her as one to watch out for. The Top 1000 is a select group chosen for the excellence of their dedication, communication, leadership skills, and imagination. We are pleased to highlight that Anshika did more than enough to justify her inclusion in this elite group.

Anshika's approach to her assignments showcased a quick learner and a determined individual. In addition to a varied skill set, Anshika's energy and enthusiasm in undertaking tasks will hold her in good stead regardless of profession.

We are confident Anshika will be an asset to any endeavour that she is a part of.

Yours sincerely

PRATEEK BHARGAVA
